ZOE

A control panel for the ZOE vehicle, featuring two monitors and several buttons. The name 'ZOE' is prominently displayed in the center. The panel is mounted on a metallic wall.A small, round, metallic table with a single leg, positioned near the control panel.

A large, metallic console with a red seat, likely a replica of the ZOE's control area. The seat is positioned in the foreground, and the console extends towards the right side of the exhibit.
