A white wall-mounted boiler with a control panel featuring a digital display and several buttons. It has various pipes and hoses connected to it.

A white vertical radiator with a pink cloth draped over its top. It is positioned against the wall next to the boiler.

A bright green plastic basin sitting on the tiled floor.

A brown plastic jug, likely containing oil, with a label that includes the word "VITAMIN".

A yellow plastic bag hanging from a pipe or shelf.

A small, patterned mat on the floor near the radiator.

A window with a black frame and two panes of frosted glass. It is located on the right wall.

A square-patterned wall panel in shades of brown and tan, located on the left wall.

A small decorative item hanging on the wall, possibly a religious or cultural artifact.

Two concrete steps leading up to a doorway or window on the right side of the room.

A red and white striped mat on the floor near the steps.
